Planter Update

January 2013

PLANTERS

PLANTER

PLANTER - precedent

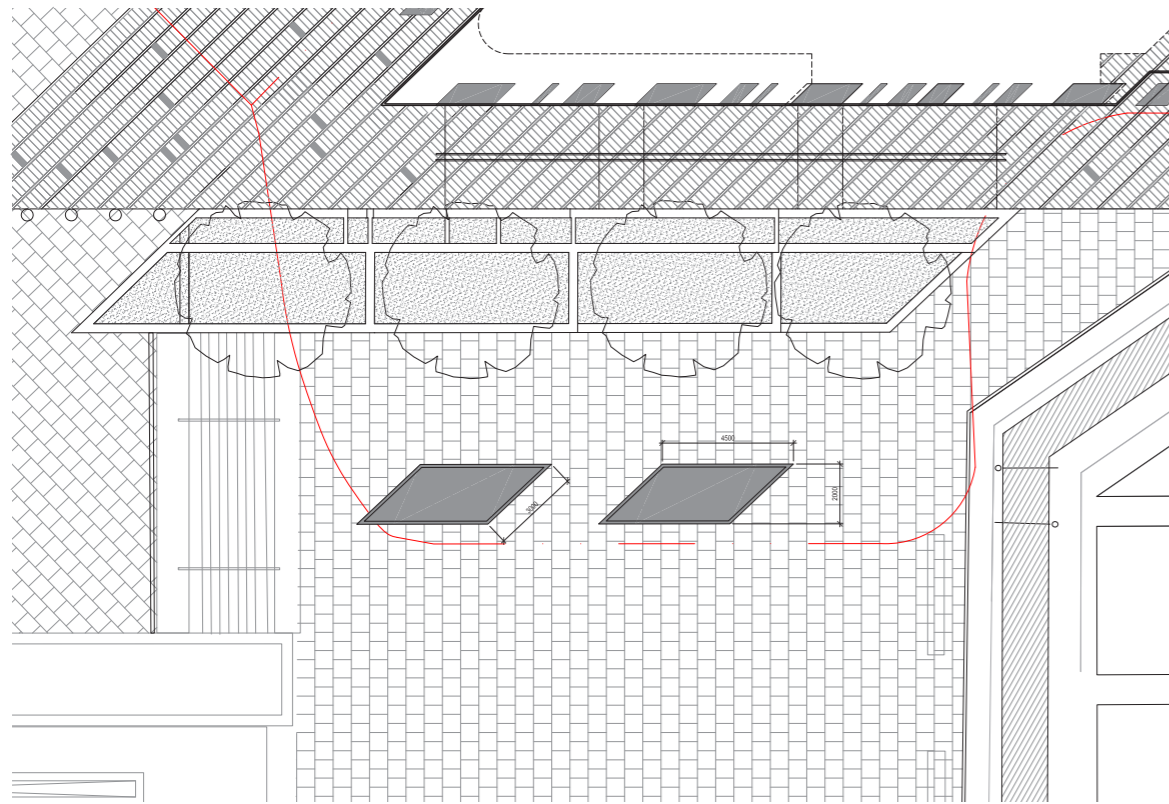

Timber framed planter
Bespoke contractor design

Metal wrap with integrated signage

Refer to indicative detail overleaf 

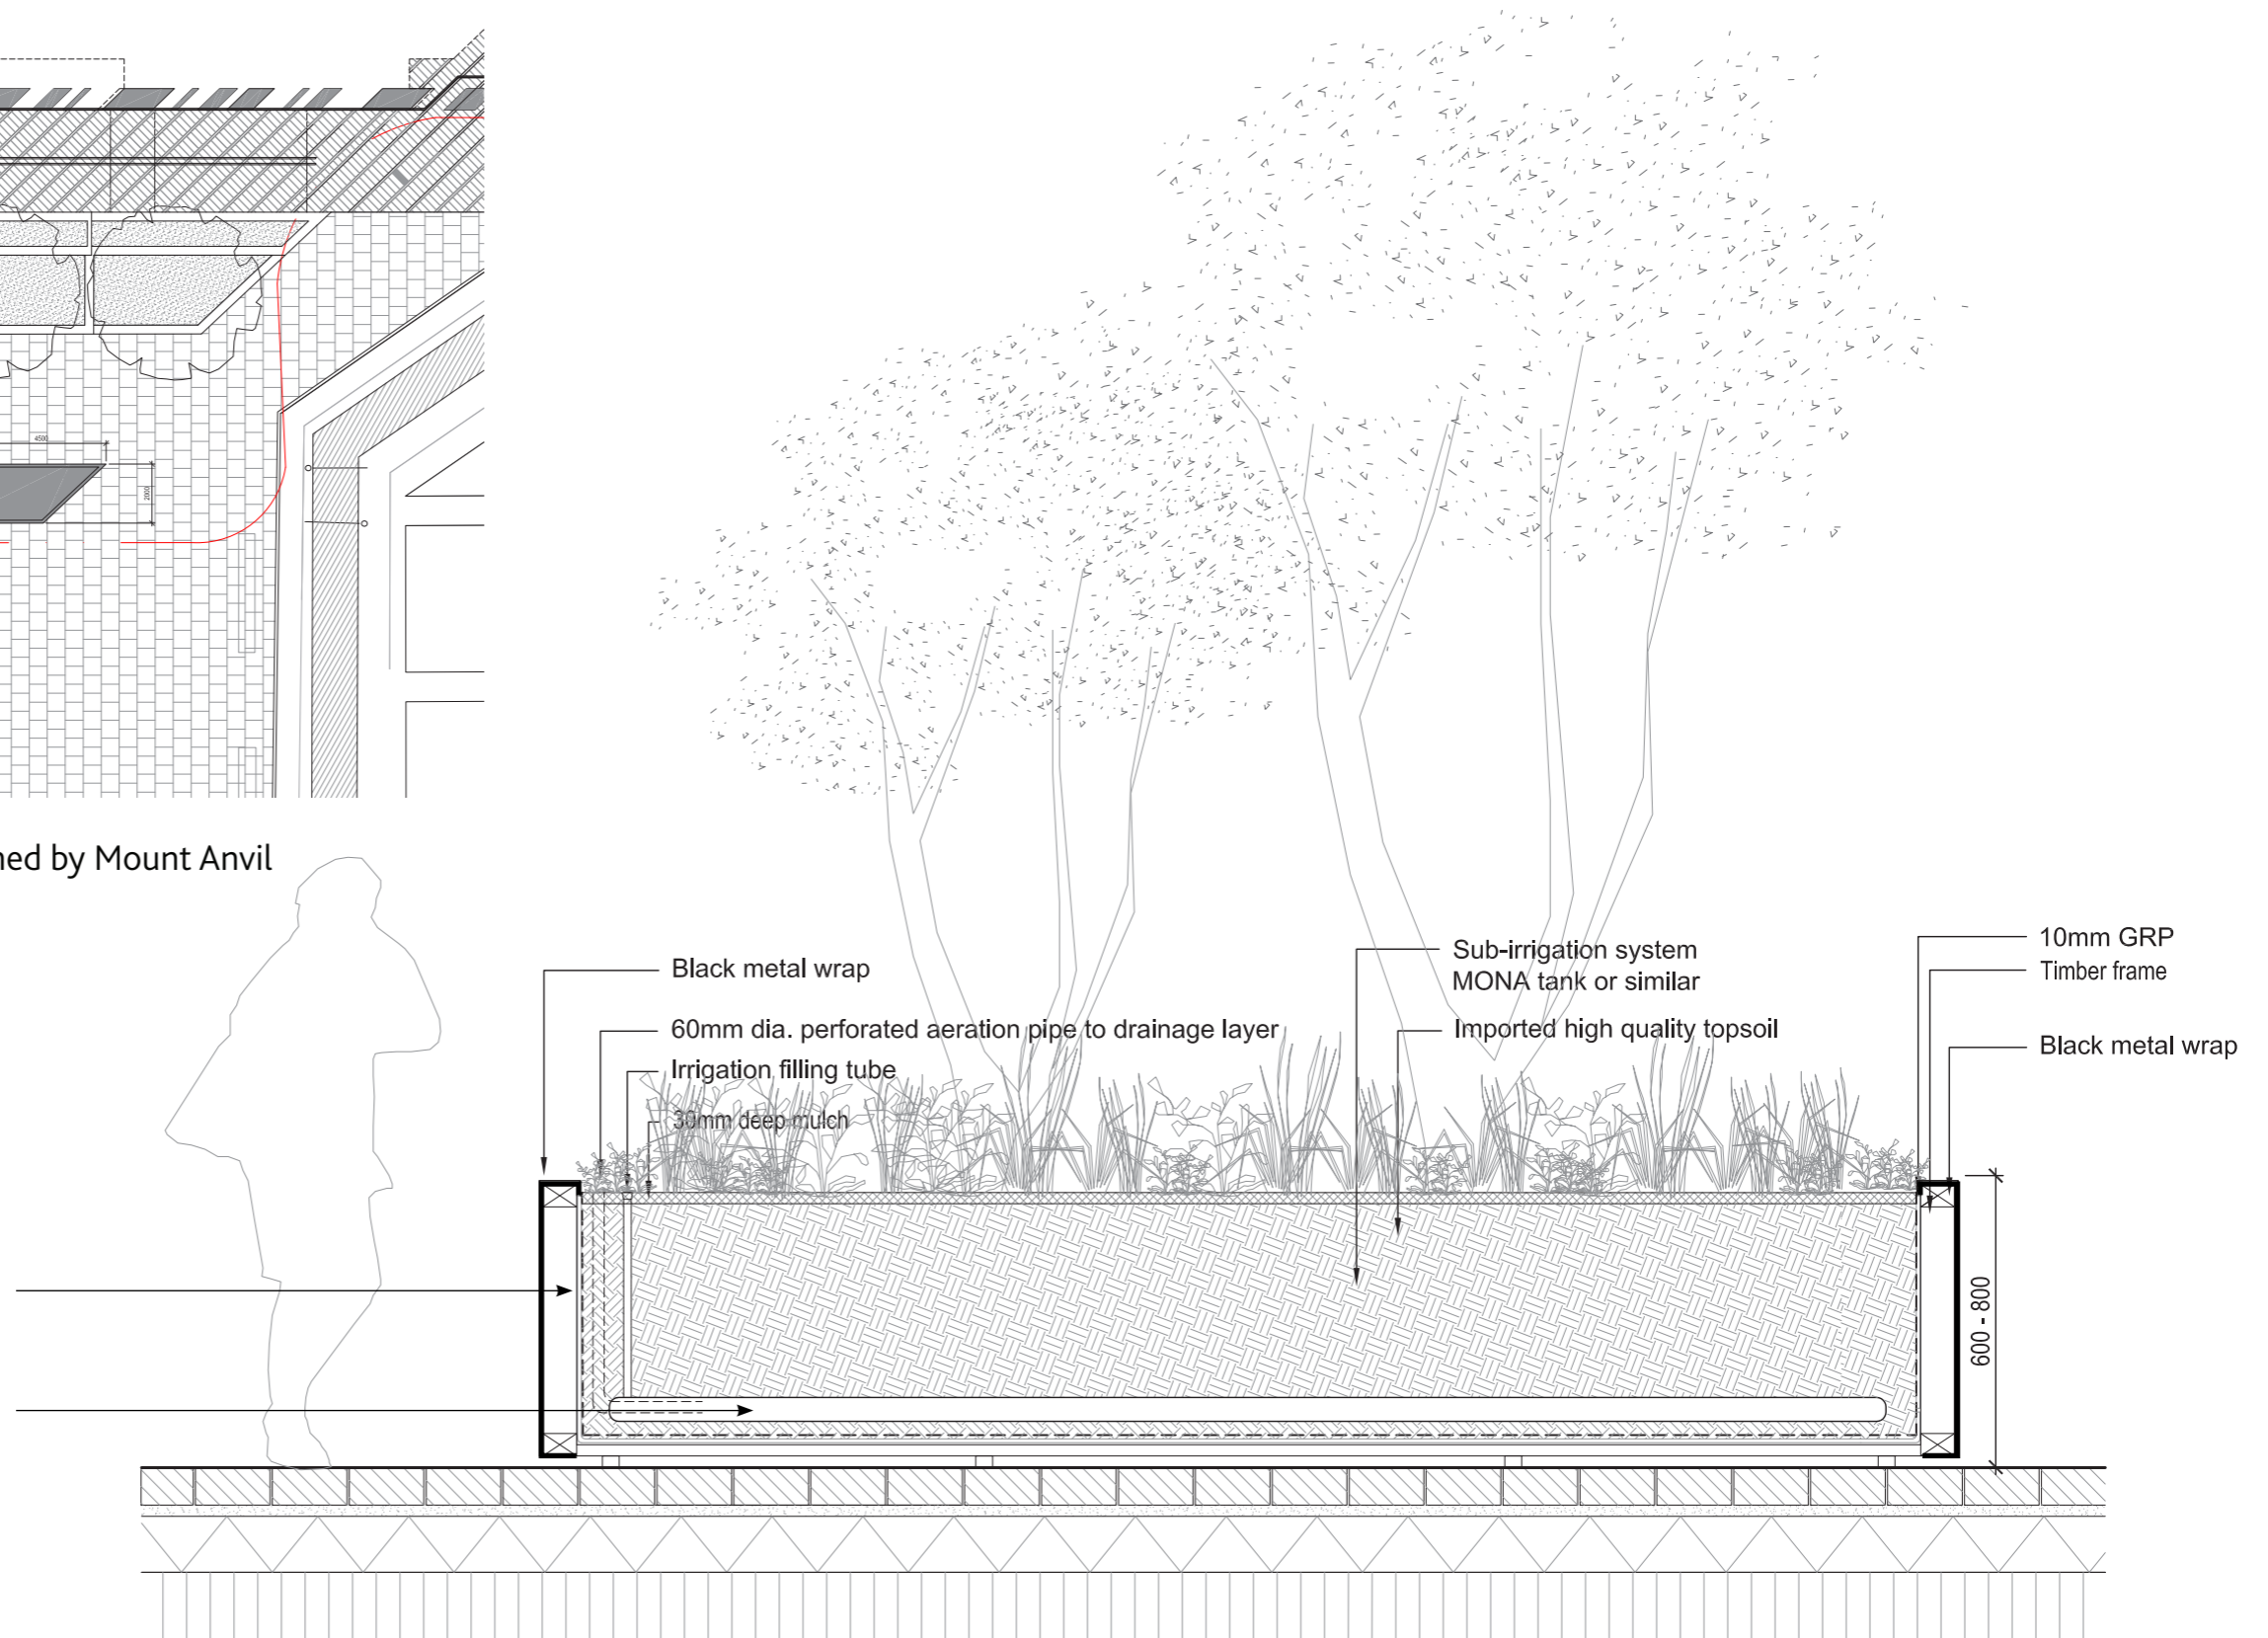

PLANTER - Indicative Plan and Section

Final positions and dimensions to be determined by Mount Anvil

Timber frame and bracing

We have indicated a water storage tank. This is an option to consider. As the planter will not be connected to the irrigation system, a maintenance strategy and watering regime will need to be adhered to.
