Welcome to your exciting new exposure opportunity!  
A fundraising event for Canal and River Trust will be held in Ribeira London in Haggerston on Thursday 6<sup>th</sup> March 2014.

It will be held as a part of Greening hidden corners of Regent Canal appeal and aims to find creative ways to connect with the nature and our beautiful waterways.

Guest speakers from the Canal and River Trust will introduce guests to the goals the charity aims to accomplish. You will have a chance to get on one of the narrow boats from Laburnum Boat Club and enjoy a short trip on Regent Canal. Local performers, raffles, free and discounted drinks, fabulous food and South American atmosphere are waiting for you!

The clever mixture of metal and wood interspersed with throws of lush green plant life and Latin inspired ornaments provide the perfect amalgamation of East London and South America.

Whether you have come to eat, drink or enjoy live entertainment, Ribeira will provide the right atmosphere for you.

*"Ribeira is definitely the best place I have eaten out at in a while. The food is wonderful! Everyone in our party of 5 was impressed with every course. The vegetarian options were delicious and I am told the meat dishes were exceptional. All the cocktails were great, the only problem was having to choose which ones to have! The staff were lovely, chatty and very welcoming and gave great food recommendations! We've already made plans for several return trips! Highly recommended!" Open Table*
